

REGULATIONS

The purpose of the awards is to facilitate exchanges between clinical centres and/or laboratories involved in Multiple Sclerosis. Travel may be within, to, or from France.

National & international (up to 6 months)

Eligibility

It is primarily aimed at clinicians, researchers or technicians wishing to undertake a period of training in an area relating to Multiple Sclerosis at a different location from their current institution.

No deadline for this call.

The scientific committee of Fondation ARSEP will inform the applicant of the outcome of their application within 2 months of submission.

The training period can be up to 6 months.

Funding requests for up to 6.000 € to cover travel and accommodation are permitted.

IMPORTANT

The project file and all related documents must be written in English
