

TRAVEL GRANTS FOR YOUNG RESEARCHERS

Eligibility

- France Sclérose en plaques Foundation offers meeting "travel grants" to help young researchers to defray the costs of their travel expenses to reach Paris and their accommodation for one night.
- Selected researchers will be refunded on presentation of travel tickets and invoices.
- The reimbursement may not exceed 600 €.
- Travel to Paris should be done in the economic class.
- The hotel should not be more than 2*, except if a 3* is less expensive (or equivalent) to a 2*.
- The number of travel grants will be dependent on the resources available to the Foundation.

Requirements for the application are as follows

- Candidates must follow a PhD scientific program or a post-doctoral course or a Md medical program.
- They must be under 40 years old.
- Applicants must submit a poster as first author and presented it on the day of the meeting.

NOTE

- Candidates must join their CV and their abstract with their registration.
- The abstract can be selected for a short oral communication. if you do not want, please, mention when register.
